

PROMOTE YOUR NEW PRODUCT - FREE!

If you are planning to display a new product at the Expo, we would like to highlight it in the ILMDA ADVANTAGE magazine prior to the show.

Take advantage of this FREE opportunity by emailing a short write-up on this product and a picture, if possible, to Marilee at mc@ilmdda.com.

Please note: To have it published in the upcoming November/December magazine, we need to have the information by October 24th. For the January/February magazine, we need the information by December 19th.

Any questions, call Marilee at 1-800-252-8641.
