

Crane Daily/Monthly Inspection Report Book

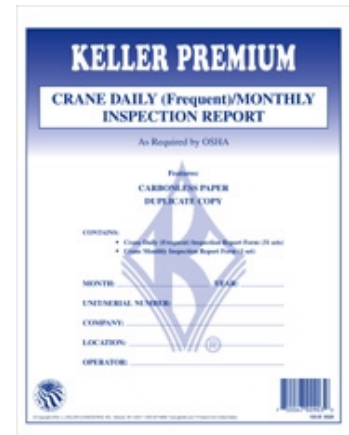

Conduct routine crane inspections with these easy-to-use forms

With these forms, your crew will have an easy way to conduct thorough crane inspections.

You'll get 31 sets of daily inspection reports that list criteria related to the pre-operational walk around, pre-start-up (in cab), and operational checks. There's also space to record any necessary repair information.

In addition to the daily reports, this book includes one set of monthly inspection reports to use for keeping track of general crane conditions, as well as specifics like the main hoist, hydraulic crane boom, load hooks, and more.

Books are 8 1/2 "W x 11" L.
